

**MEETING THE CHALLENGE OF
DECLINING SOCIAL TRUST**
**Organized by the Mt Waverley Uniting
Churches Adult Growth Group**

*Evidence shows that mistrust is increasing globally:
mistrust of government, the media, big business, and other

*Why does this lack of trust matter? What are the reasons
for it? and What role can we as individuals, and the
Uniting Church, play in restoring social trust?*

**You are invited to take part in an on-line
discussion of these important issues.**
